# TO THE COLLECTORS

Our last sale on Feb. 13, 1943 was held in the severest weather New York has had in over 50 years. But that had absolutely no effect whatsoever, for we had the largest personal attendance in years.

The sale was an overwhelming success, the bidding was spirited, and our estimates which we furnished were entirely disregarded for many items brought almost double of our estimated values. The sale realized over \$10,000.00 for less than 700 lots and ninety percent were sold on the floor.

We recommend to collectors living at great distance from New York and who will be unable to attend this sale, to bid liberally by mail, for seldom do items of such importance and rarity appear either in Private or Auction Sales.

Those anticipating to sell their collections at Auction Sale would do well by corresponding with us. Our expert ability in cataloguing any series plus our general facilities will assure you of the results you expect.

**P. S.: The Hon. T. A. Quackenbush and George H. Fash Collections scheduled to be Auctioned in March, will be sold April, 1943.**

**P. S.: No Commission Charge For Executing Your Bids.**
